Support Dogs, Inc.

Receives Pet Hug Fund Donation

Support Dogs, Inc. recently received a donation of \$2,675 from the Pet Hug Fund. The Fund was created by the Animal Rescue Foundation (ARF), which is Tony LaRussa's non-profit pet therapy organization based in Walnut Creek, Calif.

The Pet Hug Fund financially assists volunteer-based animal therapy organizations that serve their local communities. Both Build-A-Bear Workshop and Purina participated in the Fund's recent promotion that involved sending in Purina brand purchase's receipts which were redeemable for a free and exclusive Build-A-Bear Workshop therapy dog or cat. Purina donated \$1 to the Pet Hug Fund for every therapy pet ordered, and Build-A-Bear Workshop also donated \$1 for each Beremy Kennel Pal purchased at their stores during May.

Support Dogs, Inc. is a national non-for-profit organization that offers dignity, hope and independence by providing highly skilled service dogs to individuals with disabilities and uniquely trained dogs to serve the community. Proceeds will benefit all programs and activities at Support Dogs, Inc.
